

SB 6199 is supported by DSHS, Washington Association of Area Agencies on Aging, Washington State Developmental Disabilities Council, and our Union, because it is:

### **Better for Consumers**

- Professionally trained case managers will be able to focus on consumer needs
- Consumers maintain their ability to choose their provider, including family members
- More efficient access when help is needed

### **Better for Home Care Aides**

- More stable and less burdensome administration
- One place to go for employment-related questions
- Potential for innovation and improved worker rights and workplace benefits
- Gives DSHS more flexibility to approve exceptions to the overtime limits
