SEIU 775 (the Union) and ResCare (the Employer)

Negotiations reopened for COVID-19 within the term of the Agreement

On February 29, 2020, Governor Jay Inslee issued a Proclamation declaring a state of emergency in all counties in Washington related to the COVID-19. On April 1, 2021 DSHS extended the funding as necessary action to the state of emergency and continue providing services to vulnerable populations during the COVID-19 pandemic.

The parties enter into the following agreement in response to ongoing health concerns presented by the COVID-19 virus.

- 1) All bargaining unit employees shall receive two dollars and forty-five cents (\$2.45) in addition to their base wage plus any applicable differentials for every hour worked between July 1, 2021-December 31, 2021 ("COVID-19 stimulus"). Legally required taxes and withholdings will be deducted.
- 2) Any PTO cash out or any PTO paid shall be at the pre-COVID-19 stimulus rate.
- 3) Training, safety, and orientation hours will be paid at the employees' pre-COVID-19 stimulus rate.
- 4) Hours worked on a recognized holiday under the CBA shall be paid at time and a half of the base wage and will not include the COVID-19 stimulus.
- 5) This MOU will remain in effect until 11:59 pm on December 31, 2021 unless extended by mutual agreement of the parties.
- 6) Until the CDC recommends that PPE is no longer necessary, the Employer will provide all necessary PPE, per Washington State Labor and Industries guidelines and all local and state Department of Health recommendations, to all employees serving COVID-19 and non-COVID-19 infected clients. In any situation where an employee requires a N-95 mask according to L&I guidelines, the Employer will be responsible to cover applicable fit testing and any costs associated with the fit testing.
