Employees wanting to return from a medical leave of absence, or who need to extend the leave of absence beyond the original return date, may be required to provide verification from their physician that they are able to return to work or require additional time off the job. Additionally, the Employer may request that the employee be examined by a physician of the Employer's choice at the Employer's cost to determine the employee's right to either a continuing leave or work status.

Employees will be re-employed at the end of the leave, provided the employee is able to perform the work. The Employer will assign the employee to a position comparable to that held prior to the leave, however the Employer cannot guarantee the same clients served by the employee prior to the leave. Seniority established at the time of departure on leave of absence shall be restored when the employee returns to work. No seniority will accrue while on a leave of absence without pay. In the case of Union Leave, employees granted leave will continue to earn seniority.

**Section 19 ~~16~~.3 Return to Work Program**

The Employer will provide alternative work opportunities to HCAs injured on the job when feasible. The primary components include working closely with the employee and his/her physician to determine if and when the HCA can return to modified duty. In addition, the attending physician will be requested to confirm what assignment and/or activity level restrictions must be adhered to. With cooperation from all parties involved, this program can result in earlier return to work for HCAs, an opportunity to learn/develop new skills, etcetera. The parties will develop an approach to workplace safety through the Labor/Management Committee during the life of this Agreement.

**Section 19 ~~16~~.4 Bereavement Leave.**

Employees are eligible for up to five (5) days of unpaid funeral or bereavement leave for members of the immediate family, two (2) days of unpaid funeral or bereavement leave for close relatives and one (1) day of unpaid leave for the funeral or bereavement of other relatives or close friends or clients. At the discretion of the Employer, additional unpaid bereavement leave of up to two (2) weeks may be granted for travel out-of-state or out of the country. The employee requesting such extended

bereavement leave shall be allowed to utilize any Paid Time Off that s/he has accrued and earned.

**Section 19.46.5 Catastrophic Leave Bank**

The Employer agrees to begin exploration to create and maintain an account or mechanism to permit donation of Paid Time Off hours from members of the bargaining unit to bargaining unit employees who are on family or medical leave and who have exhausted or are projected to exhaust their accrued leave before they are able to return to work.

***Section 19.8 Domestic Violence/Sexual Abuse/Stalking Leave***

Eligible employees shall be entitled to take paid or unpaid leave for domestic violence, sexual assault or stalking that the employee has experience, or for the use to care for and /or assist a family member who has experienced domestic violence, sexual assault or stalking. Leave under this provision shall be administered in accordance with RCW 49.76. {CCS TA'd}

**Section 19.946.6 Other Forms of Leave –**

The Employer shall educate supervisors and employees about eligibility and use of any new forms of leave enacted by the Legislature or the State.

**ARTICLE 20 47: SEVERABILITY {Signed Article TA}**

Should any section of this Agreement or any addenda thereto be held invalid by operation of law or by any tribunal of competent jurisdiction, or should compliance with or enforcement of any provision be restrained by such tribunal, the remainder of this Agreement and addenda shall not be affected thereby. In the event the Employer and the Union are unable to mutually

agree upon language to replace that held invalid by law or tribunal, the parties agree to resolve their disagreement through arbitration.

It is intended that this Agreement and the Employer established personnel policies, rules, and regulations be complementary. Wherever the personnel policies, rules and regulations covering Home Care Assistants are not in conflict with this Agreement, their provisions shall be applicable to employees in the bargaining unit. Wherever a conflict may arise between said personnel policies, rules and regulations, and this Agreement, the provisions of this Agreement shall control.

**ARTICLE 21 ~~48~~: SUBCONTRACTING {Signed Article TA}**

The Employer shall not contract out work performed and consistent with work performed by members of the bargaining unit if the contracting of such work eliminates, reduces, or limits the normal workload of the bargaining unit.

In the case of a circumstance that is beyond the control of the Employer at the time action is required, that could not reasonably have been foreseen, and for which the Employer is not reasonably able to provide the necessary tools, employees, or equipment to perform the work in a timely manner, The Employer shall be allowed to enter into temporary subcontracting arrangements for this purpose only. The Employer shall officially notify the Union of such instances in advance and discuss the impact of and possible alternatives to these arrangements, if any, on the bargaining unit.

If, in order to secure funding for a specific project, the Employer is required to contract all or part of the work to be performed due to limitations

imposed by the funding agreement, such contracting shall not be considered as a violation of the Agreement. In such instances, the Union shall be officially notified in advance.

## **ARTICLE ~~22~~ 49: LABOR/MANAGEMENT COMMITTEE- SEIU TA**

### **Section ~~22~~ 49.1 Purpose**

### **Section ~~22~~ 49.2 Structure**

The Committee shall meet on a flexible and as needed basis at least once per quarter, at mutually convenient times and places. The Committee shall consist of an equal number of representatives of both parties, but at least five (5) representatives of the Union, and five (5) representatives of the Employer. Both the Union and the Employer shall have the sole authority to determine who represents them on this Committee. Every effort will be made to ensure representation on this Committee from each geographic area of the Employer. Union representatives on this Committee who are employees of the Employer shall receive all compensation they would normally receive for any work covered by this Agreement. Travel expenses, mileage, or other incidental costs for the union members on the Committee shall be borne by the Union.

### **Section ~~22~~ 49.3 Relation to Grievance Procedure**

The Labor/Management Committee shall not be used to supplant the Grievance Procedure. The Union retains its right to bring issues to the Grievance Procedure either in lieu of or in addition to discussing them in the Labor/Management Committee.

#### **Section 22.4 Relation to Collective Bargaining Agreement**

In the event a decision is reached by the Labor/Management Committee to recommend adjustment of any provision contained in this Agreement, said recommendation shall not become effective until approved by both the Union and the Employer. Any changes to this Agreement which are approved by both the Union and the Employer shall be reduced to writing and attached as a side letter to this Agreement.

#### **Section 22.5 Relation to Policies**

Union shall have right to demand to bargain over all mandatory subjects in handbook. All new employees will be provided a copy of the company handbook. The Union shall be provided the most up to date finalized policy manual upon the beginning of this agreement and when changes are made.

The Employer generally shall notify the union 30 days before a change in policy that is subject to mandatory bargaining. The Union understands the Employer's handbook is subject to state WAC/RCW and state policy change that may necessitate less than a 30 day notice. In cases where the Employer is not provided adequate time by the state or contractor, the Employer shall notify the Union as soon as practical.

Per Article 20: Severability, the Union understands the Employer operates under a state license and contract and should a change in law necessitate, the Employer may have to implement a policy change unilaterally to comply

with the law. Should this occur, the employer will notify the union immediately to resolve the matter.

The Union will have the right to bargain over all mandatory subjects in policy within 10 days of receipt of notice of policy change from the Employer.

### **Section ~~22~~19.56 Negotiations**

No employee shall be required to work in any situation that would threaten or endanger his/her health or safety and the Employer shall make a good faith effort to notify employees of any health or safety risks prior to a client assignment.

Such situations include: bodily harm to the employee; threatening behavior of the client to the employee; sexual harassment of the employee by the client or by persons in the household; or any other situation that would be a threat to the employee's health. {Former Section 4.8 Moved Here}

### **Section 23.2 Imminent Danger to HCA**

Any HCA who believes in good faith that his/her health and/or safety is in imminent danger at an assigned work location may leave that location immediately.

The HCA shall report the incident to his/her supervisor as soon as possible after leaving the assigned work location. The HCA shall be paid for his/her entire scheduled assignment, including all travel time and travel miles (except errands not performed) he/she would have been paid had the assignment been completed as scheduled.

CCS shall investigate the incident and shall report the incident to the client's family or guardian for private-paid clients, to DSHS for public-paid clients, and to any other appropriate agency. CCS shall provide copies of any documentation related to the incident to the Union upon request. The Employer does, however, reserve the right to protect client confidentiality in the release of this information.

If CCS continues to serve the client, any future HCA assigned to that client shall be provided with copies of any documentation related to the incident before he/she is required to begin the assignment. CCS reserves the right to protect client confidentiality in the release of this documentation. If no incident of imminent danger concerning that client is reported in a two year period, CCS shall no longer be required to notify future HCAs of past incidents with that client.

Nothing in this section shall be interpreted to limit in any way an employee's right to refuse unsafe work under the National Labor Relations Act, the Occupational Safety and Health Act, or other applicable laws.

### **SECTION 23.3 SAFETY EQUIPMENT & SUPPLIES**

CCS will continue to provide protective equipment as required by law, including gloves, masks, aprons, protective eyewear, and tongs. ## **ARTICLE 24 PARTNERSHIP { Signed Article TA – moved from LOA }**

### **Section 24.1 Legislative Partnership**

The Employer and the Union jointly recognize that elected officials and state regulators make decisions about Long Term Care standards and funding. We believe families and workers need to be heard during the legislative process. The Employer has a stake in the legislative process in order to maintain and increase funding necessary to operate its facility according to the highest standards. We recognize that without proper funding, providing optimum care is nearly impossible. Together, we form a committed community that stands ready to address the public policy factors that influence our work and the lives of our members. We, as partners, are determined to be a voice that is heeded by policy makers in Washington State.

### **24.2 Recruitment of Workers**

The Employer and the Union share an interest in and commitment to making the Employer an “employer of choice” among direct care workers in Washington State. The Employer and the Union will cooperate in communicating with current and potential direct care workers to help make

workers (including individual providers of home care services paid by the State of Washington) aware of career opportunities available at the Employer. By way of example only, such communication may include mailings, automated phone calls, website banner links, and information distributed at union meetings. The Employer will make reasonable efforts to track and measure the quantity of applications and new hires that result from such joint communications and will share these results with the Union.

#### **24.3 Public Information and Awareness of the Employer Long-Term Care Services**

The Employer and the Union share an interest in increasing the Employer's volume of service among long-term care clients in Washington, and in the corresponding job opportunities for workers. The Employer and the Union will cooperate in communicating with current and potential direct care clients and their families to help make clients and their families (including those who may be served now by individual providers of home care services paid by the State of Washington) aware of the services that the Employer provides. By way of example only, such communication may include outreach to unions and union retiree organizations, mailings, phone calls, and website banner links. The Employer will make reasonable efforts to track and measure the quantity of new client enrollments that result from such joint communications and will share these results with the Union.

#### **24.4 Home Care Agency Advocacy Day**

In recognition of the fact that the parties share an equal commitment to improving the quality of care of home care programs, specifically for home care agency workers and private agencies, the Employer shall make every effort to provide an unpaid leave day for up to seven percent (7%) of the bargaining unit for the purpose of attending an advocacy day for the issues

related to agency-provided home care. The advocacy day agenda shall be mutually agreed to by the Employer and SEIU Healthcare 775NW.

#### **24.5 Home and Community Based Care Industry-wide Communications**

The parties share an equal stake in advocating for improvements in the quality of care with the regulators, the State, the Legislature, and the Congress, in building workforce development programs which prepare caregivers and Employers to meet the challenges of providing service to our rapidly aging population. Recognizing our common interests, the Employer agrees to join the Union in convening a forum for unionized Employers 2-4 times each year to discuss matters of mutual interest.

#### **ARTICLE ~~25~~ 20: TERM OF AGREEMENT {Signed Article TA}**

This Agreement shall become effective upon ratification, and shall remain in effect through June 30, ~~2015~~3. In the event that the State reduces or increases the established vendor rate or reimbursement calculation for contracted services provided by the Employer and/or there is any other increase or reduction in the level of reimbursement established at the time of the signing of this Agreement, the parties agree to immediately reopen this Agreement for negotiations on all economically impacted sections.

Within 2 (two) weeks of the close of the legislative session, the parties agree to schedule negotiations for the successor agreement which shall begin as soon as practical. The parties will establish a goal of concluding the negotiation on or before June 30, ~~2015~~3. The parties agree that there may be issues specific to the employer that could be appropriately addressed in addendum(s) to the successor agreement.

If the parties to this Agreement are still in negotiations for a successor Agreement as of June 30, ~~2015~~, all the terms of this Agreement shall automatically be extended-until such time as a new Agreement is concluded or the parties reach impasse in bargaining.

The parties agree that if, during the period of these negotiations, impasse is reached, the Parties may mutually agree to refer unresolved issues which are mandatory subjects of bargaining to a process of binding interest arbitration. Should the parties not agree to refer the outstanding issues to interest arbitration, Article 10 (Uninterrupted Client Services) shall be waived and shall not be in effect. During the period of waiver of Article 10, the parties shall be free to exercise any lawful rights of economic action.
